ENGINEER MEMBER'S [SECTT.]

No. EM.1(10)09/Cir.(Coop.Con.)/ 3508

November 9th, 2009.

CIRCULAR No. 643

Sub: **OPERATION OF COMPOSITE CONTRACTS.**

Issue has been raised regarding difficulties being faced by the Electrical Wing in Operation of Composite Contracts which are in execution. It has been noted that these composite contracts are not having provisions like signing separate agreements by Executive Engineer (Civil) and Executive Engineer (Elect.) for Civil/Electrical contracts etc. In such situations, it is advised that Executive Engineer (Civil) who has entered into the contract will nominate Executive Engineer (Elect.) as his authorized representative to deal with the main agency for electrical portion of the work. Executive Engineer (Elect.) will then issue the instructions to the main agency as and when required to enforce the contract provisions and timely completion of contracts etc.

The powers to sanction Substituted Items/Extra Items/Deviations will be exercised separately by the respective officers i.e. Chief Engineers, Suptdg. Engineers, Executive Engineer (Civil) & (Elect.) on the strength of powers already delegated.

This issues with the approval of Engineer Member, DDA.
