RESOLUTION

On agenda item No. 114/2014 i.e. "Recommendations of Advisory Group in its 13th meeting held on 11/06/2014 modifications in MPD-2021 as part of mid-term review of the Plan" placed before the Authority in its meeting held on 21.8.2014, it was decided that Member Secretary, NCRPB could assist DDA in drafting the required provision. However, the ATR on the minutes of the meeting mentions nothing in this respect. In fact, the Member Secretary, NCRPB had already endorsed a detailed DO letter dated 28/08/2014 to Vice Chairman, DDA in this regard clarifying the provision in the NCRPB.

The Regional sub-plan for Delhi should be as per NCRPB and has to conform to these guidelines.

Vice Chairman, DDA will expeditiously reconcile these important issues with Member Secretary, NCRPB.

Action Taken Reports on the minutes of the meeting of the Authority held on 21.8.2014 were noted by the Authority.

Item No. 144/14

Item No. 144/2014

Subject: (1) Change of Landuse from "Industrial" to "Transportation" (T- 2, Bus Depot) for land measuring 8.00 Ha (20 Acres) at Industrial Area, Ranikhera, Rohini Ph. – V.
(2) Change of Landuse from "Industrial" to "Transportation" (T- 3, Roads) for Proposed 30m wide Road for land measuring 6.47 Ha at Industrial Area, Ranikhera Rohini, Ph. – V.

(File No. F.20 (14)/2014/MP)

1. BACKGROUND

It was decided that 20 acres of land to be allotted by Delhi Development Authority (DDA) to Delhi Transport Corporation (DTC) at Rohini as an alternate site for Millennium Bus Depot in Zone – "O".

Accordingly, a site measuring 8.0 Ha (20 Acres) was identified in Rohini Phase - V in DDA acquired land with Industrial Landuse near Rani Khara, Rohini during the joint inspection with the representatives from DTC, DSIIIDC & DDA on 05.03.2014. Approximately 6796 Sq.mt. area was swapped with DSIIIDC to make the said identified / proposed site approachable by 30 M wide proposed road.

IL Branch, DDA vide letter No.F.24 (02)14/IL/PV/596 dated 01.04.2014 intimated about principle allotment of the said land to Commissioner (Transport), GNCTD for Bus Depot at Rohini Phase – V near Rani Khara.

6th Technical Committee meeting held on 22.04.2014 vide item no. 23 / 2014 approved above two cases of Change of Landuse for Bus Depot and Proposed 30m wide Road and also recommended for further processing of Change of Landuse under Section 11-A of DD Act by Authority & MoUD, GOI.

Authority in its Meeting held on 09/05/2014 vide item no. 73/2014 approved the proposed Change of Landuse for further processing under Section 11-A of DD Act – 1957 for inviting Objections/Suggestions with in a period of 30 days from date of issuance of Public Notice.

Accordingly, a Public Notice was issued on 17/06/2014 vide S.O. 1538 (E). In response to said Public Notice there (3) Objections/Suggestions were received from same person. The brief of Objections/Suggestions are as below:

- DDA had already allotted and handed over the possession of 20 acres of land to DTC for construction of Depot in Rohini without going through the process of change of landuse u/s 11A of DD Act.
- DDA has taken up the other commitment without fulfilling the requirements of the registrants in the Rohini Scheme to whom till date the possession of plots have not yet been handed over and the matter is still under litigation in Hon'ble High Court of Delhi/ Hon'ble Supreme Court of India.

IL Branch, DDA vide letter No.F.24 (02)14/IL/PV/1428 dated 16.07.2014 provisionally allotted the land measuring 20 acres for Bus Depot in Rohini, Phase-V, Delhi in lieu of Millennium Bus Depot to Transport Department, GNCTD. Subsequently, IL Branch, DDA has been handed over the physical possession of plot to DTC on 23/07/2014 except a portion about 20mX85m (Appox.) as encroachment portion.

A meeting of Board of Enquiry and Hearing was held on 07/08/2014 under the Chairmanship of Engineering Member, DDA to hear those Objections/Suggestions. Board desired report from Planning Wing, DDA & Engineering Wing, DDA on above said objections. The salient points of the report are as under:-

- More than 82,000 applicants were registered for the said scheme and DDA gave allotments/ possession to these registrants from time to time. More than 25000 registrants were left out from allotment of residential plots. The Planning Department carved out 25482 residential plots of various categories in 30 Layout Plans in Sector – 28,29,30,34,35,36,37 & 38 Rohini as per the time to time requirement of Residential Lands Branch, DDA. The land measuring 262.6 ha (appox.) with residential landuse has been earmarked in those 30 Layout Plans.
- After approval of these 30 Layout Plans by Screening Committee- DDA, draw was held on 12th June 2012 (for 24629 plots) and subsequently on 08 August 2014 (for 744 plots). All the Plans were issued to all concerned departments for feasibility, demarcation, disposal & development.
- There is a court case/matter in Hon'ble Delhi High Court and Hon'ble Supreme Court of India for allotment/ handing over of developed plots to the Registrants by DDA. The Engineering Wing, Residential Lands Branch & Land Disposal Wing, DDA are perusing the case in Hon'ble Courts. As such, there is no action pending with Planning Department, DDA as the requisite requirement of carving out of residential plots has been fulfilled & completed.

Contd...

- The development work in Sector 34(Part), 35, 36 & 37 was held up since February 2013 due to agitation by Barwala villagers & order of Hon'ble Supreme Court. In addition 11000 plots in Sect 28, 29, 30 & 34(Part) can be made available for physical possession by end of year 2014 where street light electricity can be made available by March – June 2015.
- Based on the meeting held at Raj Niwas in February 2014, 20 acres of land for Millennium Bus Depot allotted and the possession has been handed over in Ranikhhera where the landuse has been assigned as Industrial, which is being processed for its change of landuse through this public notice. The possession for the part portion which is under encroachment measuring 20mX85m (approx.) will be given after removal of said encroachment.

Board observed that, DDA has already prepared the Layout Plans of 30 pockets for fulfilling the commitment of the registrants in land measuring 262.6 ha. and the Transportation & Bus Depot is also a facility to meet out the requirement of the residents of Rohini as well as the other citizens of the Delhi. Accordingly, Board recommends the change of landuse of following two pockets:

- (i) Change of Landuse from "Industrial" to "Transportation" (T- 2, Bus Depot) for land measuring 8.00 Ha (20 Acres) at Industrial Area, Rohini Phase – V.
- (ii) Change of Landuse from "Industrial" to "Transportation" (T- 3, Roads) for proposed 30 mtr wide Road for land measuring 6.47 Ha at Industrial Area, Rohini Phase – V.

2. PROPOSAL:-

The details of Change of Landuse for both the cases is as under:-

out that DDA has taken up the other commitments without fulfilling the

68/9/2014

about the reasons for the pendency of allotment and handing over the residential plots before its change of land use process is taken up further.

Rohini planning office and the Rohini Engineering office has provided the following:

- i) More than 82,000 applicants were registered for the said Scheme and DDA gave allotment/possession to these Registrants from time to time and more than 25,000 registrants were left out from allotment of residential plots. The request for carving out of these plots, was received time to time from Residential Lands Branch, Land Disposal Wing, DDA. The Planning Department carved out 25,482 residential plots of various categories as per requirement in thirty (30) Layout Plans in Sector- 28,29,30,34,35,36,37 & 38 Rohini. The land measuring 262.6 ha (approximately) with Residential Land use earmarked in thirty (30) Layout Plans for these residential plots.
- ii) These Layout Plans were considered and approved by Screening Committee from Dec.2009 to May 2012 (24,629 plots) and last scheme was approved by Screening Committee on 21.03.2014 (850 plots). After the approval by the Screening Committee, Layout Plans were issued to all concerned for feasibility, demarcation and disposal. The feasibility and demarcation was carried out by Engineering Wing, Rohini based on which DDA carried out Draw of Lots for individual plots on 12.06.2012 (24,629 plots) and subsequently, on 08.08.2014 for 744 plots.
- iii) There is a court case in Hon'ble Delhi High Court and Supreme Court for allotment/handing over of developed plots to the Registrants by DDA. As regards Hon'ble Delhi High Court, the details were provided by Planning Department till the year 2011. Subsequently, the matter in the High Court is being pursued and dealt by Engineering Wing and Residential Lands Branch, Land Disposal Wing, DDA. As regards matter in Supreme Court of India, the Rohini Planning Office is not aware, as no input has been desired till date in the said matter. However, this matter is being looked after by Engineering Wing and Residential Lands Branch, Land Disposal Wing, DDA.
- iv) As regards, Hon'ble Supreme Court of India order dt. 08.07.2014 in petitions for special leave to appeals 16385-16388/2012, DDA has been directed to issue the Allotment letters of the developed plots to the successful registrants in the Draw held on 12.06.2012. On this subject two meetings were held in the Chamber of P.C(LD) DDA on 16.07.2012 and 22.07.2012 wherein there is no action on the part of Planning Department as it has already carved out 25,482 residential plots, which fulfills the backlog of Rohini Registrants as per details forwarded by Residential Lands Branch of L.D. Wing, DDA. This matter is being perused by Engineering Wing and Residential Lands Branch of L.D. Wing, DDA.

- 924
- v). Engg. Deptt. has submitted that the Engineering work and the development work in sector 34(Part), 35, 36 & 37 were held up since Feb.2013 due to agitation by Barwala villages and also the status-quo orders by the Hon'ble Supreme Court on two SLPs in 2013. It has been brought on record that about 11000 plots in sector 28, 29, 30 & 34(Part) can be made available for physical possession by the end of 2014 where street light electricity can be made available by March-June 2015.
- vi) Regarding the allotment of 20 acres of land for Millennium Depot, based on the meeting held at Raj Niwas in Feb.2014, allotment has been made and the possession has been handed over in village Rani Khera where the land use has been assigned as industrial which is being processed for its change of land use through this public notice.

As the DDA has already prepared the layout plan for fulfilling the commitment of the registrants in land meas.262.6 ha. and the transportation and bus depot is also a facility to meet out the requirement of the residents of Rohini as well as the other citizens of the Delhi, the Board recommends the change of land use of following two pockets:

1. Change of Landuse from "Industrial" to "Transportation" (T-2, Bus Depot) for land measuring 8.00 Ha (20 Acres) at Industrial Area, Rohini, Phase-V.
2. Change of Landuse from "Industrial" to "Transportation" (T-3, Roads) for Proposed 30 mtr Wide Road for land measuring 6.47 Ha at Industrial Area, Rohini, Phase-V.

Principal Commissioner (LM, Pers. & Systems), DDA explained the agenda item.

It was noted that his observations/queries on file regarding this agenda item have not been responded to.

Addl. Secretary, MOUD pointed out that DOPT guidelines should be adopted while framing the recruitment regulations. He also raised the following issues:-

- (i) Page 79, Sl. No. 2, Col. 4 : sentence "subject to variation dependent on workload" needs to be deleted.
- (ii) Page 81, Sl. No. 13, Col. 4 : composition of DPC should be clearly defined.
- (iii) Page 89-90, Sl. No. 12, Col. 4 : percentage of vacancies to be filled up by various modes should also be specifically mentioned.
- (iv) Page 99-100, Sl. 12, Col. 4 : period of service and residency, both need to be prescribed.
- (v) The same deficiencies run in the entire agenda item which needs to be corrected.

It was also pointed out that the power of relaxation of Rules has been delegated to the Authority in the proposed Agenda Item though the RRs presently vest the power with the Central Government in this regard. A detailed exercise for amending the RRs of Planning cadre should be carried out in a professional manner as per extant provisions.

After deliberations, the Authority directed the Deptt. concerned to re-examine and re-submit the agenda before the Authority for a decision.

- (ii) **Applicability of New Scale (Group - 'A' Entry).**
As per Notification dated 29.08.2008, a new scale (Sl. No.17 of Section-1 of Part - 'A' - Group - 'A' Entry) in PB-3 i.e. Rs.15600-39100 with Grade Pay of Rs.5400/- corresponding to Rs.8000-13500/-, has been introduced. In DDA, there are certain posts which are presently in the existing pay scale of Rs.8000-13500/- and are classified as Group - 'A' posts. Therefore, the Committee recommends to adopt the corresponding Pay Band of Rs.15600-39100 in PB - 3 with Grade Pay Rs.5400/- in respect of all such posts which are already operative as Group - 'A' posts in DDA.

- (iii) **Grant of corresponding Pay Band/Grade Pay and the Non-Functional Pay Band/Grade Pay to the AD (Ministerial)/Sr. PS/PS after completion of 4 years.**

The posts of Asstt. Director (Ministerial) and Sr.PS/PS in DDA are treated at par with the equivalent posts of SO and Pvt. Secretary in the cadre of CSS/CSSS since these carry the same scale of pay and same nature of duties. Accordingly, DDA had already adopted the non-functional pay scales for both these cadres on the pattern of CSS/CSSS vide Resolution Nos.72/2007 and 73/2007 dated 9.8.2007, in pursuance of DOPT OM No.21/86/03-CS-1 dated 13th November, 2003 and OM No.10/3/2004/CS-II(Pl.1) dated 24th June, 2005 respectively. On the recommendations of 6th CPC, the Govt. of India has revised the pay scale of SO/PS from Rs.6500-10500 to Rs.7500-12000 and placed in PB-2 i.e. Rs.9300-34800 with Grade Pay of Rs.4800/- and also Pay Band/Grade Pay of Rs.15600-39100 in PB-3 with Grade Pay of Rs.5400/- being Non-Functional Scale after completion of four years of regular service. Since, DDA had already granted the Non-Functional Pay Scales to both the above categories, the Committee has recommended applicability and adoption of these corresponding Pay Bands/Grade Pay for both these categories of posts in DDA.

- (iv) **Applicability of PB-4 i.e. Rs.37400-67000 with Grade Pay of Rs.8700/- to the officers who had been granted the 'Selection Grade' of Rs.14300-18300/- :**

In DDA, after implementation of recommendations of 4th CPC, as per GOI's orders No.19/1/86/PP dated 14.8.1987 and Ministry's Resolution No. 3 dated 12.03.1992 and No. 125/1996 dated 27.8.1996, 15% of Group - 'A' posts in the scale of Rs.3000-4500 (pre-revised) and above operative in different cadres of DDA, were decided to be given 'Selection Grade' i.e. Rs.4500-7000 (pre-revised) after completion of 13 years of Group - 'A' service and promoted to a JAG level post. Accordingly, considering only Group - 'A' posts carrying a pay scale of Rs.3000-4500, where JAG level posts existed, were identified in different cadres, as detailed below, for grant of selection grade. Thereafter, the selection grade posts in General Administration cadre were increased from 9 to 11 after clubbing the 'PR Cadre' and 'Systems Cadre' vide Authority's Resolution No.8/2004 dated 27.2.2004. The pre-revised scales of pay to these posts are Rs.12000-16500/- and Rs.14300-18300 (Selection Grade).

The corresponding replacement scale to the scale of pay of Rs.12000-16500/-, as per 6th CPC, is PB-3 i.e. Rs.15600-39100 with Grade Pay of Rs.7600/-. However, the corresponding replacement scale in respect of scale of pay of Rs.14300-18300/- is PB-4 i.e. 37400-67000 with Grade Pay of Rs.8700/-. Hence, the Committee has recommended the corresponding replacement PB-4 i.e. 37400-67000 with Grade Pay of Rs.8700/- to all such eligible Group - 'A' officers who had been granted/to be granted the 'Selection Grade'.

(v) Finance & Accounts Cadre :

There are different recommendations for Accounts Personnel belonging to 'Unorganized Accounts Cadre' and the 'Organized Accounts Cadres'. The personnel belonging to organized accounts cadres have compulsorily to pass departmental examinations like SAS for promotion. In DDA, the accounts cadres begin at the level of Accountant which is filled up through departmental SAS examination. Since, DDA had already adopted the revised pay scales in respect of Accountant/Asstt. Accounts Officer on the pattern of IAD vide EO No.1351 dated 1.10.2007 issued in pursuance of Ministry of Finance, GO's OM No.F6/82/E.II(B)/91 dated 28.2.2003, the Committee has recommended adoption of corresponding Pay Band/Grade Pay for the Finance & Accounts Wing of DDA as applicable to the 'Organized Accounts Cadres' in the Government.

(vi) Revenue Cadre:

The 6th CPC has equated the posts of Tehsildar & Deputy Tehsildar with the posts of Inspector and Sub Inspector in Police. In addition, the post of Patwari has been placed in the higher pay scale, irrespective of the designation it carries in various UTs. Considering these recommendations, the Committee has also recommended adoption of similar pay bands/grade pay for the same level of posts in DDA. Accordingly, the Committee has recommended adoption of similar pay bands/grade pay for various posts in Revenue Cadre.

(vii) Hindi Cadre :

The 6th CPC has made specific recommendations for Hindi Cadre in Central Secretariat Official Languages Services (CSOLS), Govt. of India. It has also recommended vide OM No.F.No.1/1/2008-IC dated 21st November, 2008 and Corrigendum dated 27th November, 2008 that the subordinate/field organizations need to be brought at par with CSOLS. Accordingly, the Committee has recommended adoption of the similar pay bands/grade pay for DDA employees of the Hindi Cadre in DDA.

(viii) Group - 'D' Employees :

(A) The Pay Commission has given different recommendations for Group - 'D' employees, as reproduced below :-

- (a) In the case of Group-'D' Employees, the pay in the revised pay structure will be fixed initially in the -15 Pay Band with the appropriate grade pay and arrears paid accordingly. Thereafter, pay of such of those Group-'D' employees who already possess the revised minimum qualifications i.e. 10th standard or ITI or equivalent as recommended by the Commission prescribed for entry into PB-I would be fixed with effect from 1.1.2006 in PB-I with Grade Pay of Rs.1800/-.
- (b) Existing Group-'D' Employees who do not possess the revised minimum qualifications for entry into PB-I would be retrained by the concerned Department preferably within a period of six months so that payment of arrears on account of up-gradation are not delayed. After retraining, these Group-'D' staff will also be placed in the Pay Band PB-I with the Grade Pay of Rs.1800/- with effect from 1.1.2006 and arrears drawn accordingly. Once placed in the PB-I Pay Band, this category of Group-'D' staff will regain their seniority vis-a-vis the other category of Group-'D' staff that already possessed the minimum qualifications and were, therefore, placed in the PB-I pay band as on 1.1.2006. Inter-se-seniority of all the employees in

- (B) Based on it, the Committee recommended adoption of the same in respect of all its Group - 'D' employees (including the Group - 'D' work-charged employees). DELHI DEVELOPMENT AUTHORITY

Item No. 146/14

Item No. 146/2014

Sub: Proposed modification in MPD-2021 about School Plots and Parking

File No.: F.9(11)1999/MP

1.0 Background

- (i) MPD-2021 has been prepared to accommodate about the 23 million projected population by the end of 2021. Master Plan was notified on 7th Feb.2007 and subsequently in the year 2010 Right to Education Act has been enacted by the Govt. wherein creation of more education facilities for the population has been emphasised.
- (ii) Through Master Plan, planning efforts have been made to provide education facilities at the school level and education level. Plots of the different sizes have been earmarked in the layout plans of the residential areas or in the PSP use zones. These facilities for generally earmarked based on the population criteria and considering its accessibility to the residential population.
- (iii) As part of the review exercise of MPD-2021, few suggestions were received from schools / education societies as well as Directorate of Education, GNCTD wherein it was requested to take up amendments to the Master Plan to reduce the plot size norms of the Sr. Sec. School, Middle School and the Primary School based on the CBSE norms. (Annexure - I)
- (iv) Education Deptt. of GNCTD is in an urgent need of getting more school sites for construction of the additional facilities of Sr. Secondary schools in Delhi. The issue was taken up in a meeting taken by Chief Secy. Minutes of the meeting issued vide letter no.PS/PWD/2014/312-325 dt.29.04.2014. (Annexure - II)
- (v) As per the administrative orders no. F.18(35)95/IL/354 dt. 21.02.2014 of Land Disposal Deptt., DDA, the Primary School / Middle School plots having 0.6 Hect. to 0.8 Hect. of land or more can be converted into Sr. Secondary School with development control norms for Sr. Sec. School given in MPD-2021. In conversion process the variation upto 10% in plot size shall also be permitted. Copy of the office order issued in this regard by Land Deptt., DDA is annexed. (Annexure - III)
- (vi) As part of the policy for regularization of the pre-existing education facility, DDA has received the following circulars from the Education Deptt., Govt. of NCT of Delhi for providing the education facilities:
 - a. No. F.DE.15/266/Act-1/2013/7886-7900 dt. 22.03.2013 (Annexure IV)

Sl. No.	School level	Minimum land area to be possessed by the School	Minimum Facility to be provided
01	Up to primary level (i.e. Class V)	200 Sq. Yards	(5 class rooms + other prescribed facilities)
02	Up to middle /elementary level (i.e. Class VIII)	700 Sq. Yards.	(8 class rooms + other prescribed facilities)

b. No. F.DE.15(45)/Act-1/Land Norms/2014/23930 dt. 28.05.2014 (Annexure V)

Sl. No.	Level of Schools	Streams allowed	Existing Land Norms	Proposed Land Norms
1.	Sr. Secondary Level	All the 04 Streams	4000 Sq. mt.	3200 Sq. mt.
2.	Sr. Secondary Level	Maximum 02 Streams	3000 Sq. mt.	2400 Sq. mt.
3.	Secondary Level (up to Xth)	---	2000sq.mt.	1600 Sq.mt.
4.	Middle Level (up to VIIIth)	---	1000 Sq. mt.	800 Sq. mt.

(vii) In the minutes of the meeting held under the Chief Secretary, Govt. of NCT of Delhi, it has been requested to relax the parking norms for Sr. Sec. school level facilities from 2.0 ECS per 100 sqm of total built up area to 1.33 ECS or 1 ECS per 100 sqm. (Annexure II)

(viii) In the existing developed area of Delhi for which the layout plan were prepared during the period 1970 to 1990 or even at a later stage, the provisions have been kept based on the master plan norms for such facilities and now to carve out the new sites in the already developed area has become difficult and almost impossible. Therefore, the need is to put the existing land under schools to optimum use and the plots which have not been developed or handed over to the Education Deptt., GNCTD could be subdivided to accommodate more no. of school sites. Accordingly, the GNCTD has suggested reduction in the norms of educational facilities.

II. Education Department

At the outset, Director (Education) extended her sincere thanks to VC (DDA) for extending his full co-operation in resolving the issues related to the Education Department.

The following issues were decided:-

1. Allotment of land to Education Department

Director (Education) requested DDA to allot 87 sites to Education Deptt., the requisition for which has already been sent to DDA. Apart from allotting area of 8000 sqm. for Sr. Secondary school, allotment of 4000 sqm. or less for middle and secondary schools was also requested.

VC (DDA) agreed to make the required changes in the master plan for such allotment as CBSE norms has also been relaxed to the extent that Sr. Secondary school can be constructed on 4000 sqm. plot.

2. To relax the norms of ECS (Equivalent Car Space)

Director of Education requested to relax the norms from 2 ECS per 100 Sqm. of total built area to 1.33 ECS or 1 ECS per 100 Sqm. so that full FAR could be achieved and necessary facilities could be provide to the children. It was also noted that the same problem exists for Govt. dispensaries and hospitals.

VC (DDA) agreed to get the norms relaxed in case of Govt. schools and dispensaries, necessary amendment in master plan would be made accordingly. For Govt. Hospitals also the matter could be examined.

3. Issue of land allotted at Hastal and Rohini Sector-1

Director (Education) mentioned that DDA, while granting EOT for sites measuring 3.03 Hectare at Hastal, 4.50 Acre at sector -1, Rohini, has asked the Education Department to return back to DDA the land measuring 2.03 Hectare at Hastal and 2.15 Acre at Sector-1, Rohini for the reason that no building has been constructed on the land despite the allotment having being made 10-15 years back whereas the fact is that Semi Permanent Structure (SPS) Buildings exist on the site and schools are running. Therefore, DDA was requested not to resume land at these sites.

It was decided that a joint survey will be conducted and if schools are already running on the sites, EOT may be granted as required by DoE for approval of building plan for Pucca school building and land will not be resumed.

On earlier occasions also, after expiry of PRS-2011, numerous requests have been received from various forums for extension of period of PRS-2011 or to launch new Penalty Relief Scheme. However, requests for time extension of PRS-2011 were not acceded to at that point of time by the competent authority. Item No. 150/14

Item No. 150/2014

**Sub: (a) Policy for disposal of Group Housing Plots and
(b) Construction of Senior Citizens Service Apartments.**

File No: No.PS-PC(LD)-DDA-2014

DDA for the past many years has been providing housing through various modes – DDA's own housing projects, development and disposal of Residential plots in the planned colonies and disposal of flats through Cooperative Group Housing Societies, etc. Given the acute shortage of Housing stock, DDA's efforts so far have not been effective. Hon'ble Minister of Urban Development has directed that DDA should construct one million DUs by 2022 and hence DDA should make efforts on all fronts to achieve this target. With the change in demand pattern, which is linked to rising incomes, housing approach of DDA needs to be re-oriented. It has also to be kept in view that the construction of DDA's own housing projects take longer than the original stipulated time schedule and there are also issues of quality of these houses which frequently arise. DDA has not been effectively able to provide solutions in these areas.

2. One area, which DDA so far has not focussed into is the disposal of Group Housing plots to private developers for developing group housing. DDA is also keen that it disposes of the vacant plots of land at the earliest to prevent their encroachment as otherwise these plots would be unviable for any project. Bulk of the housing properties both in Gurgaon and Noida have come through the route of group housing projects developed by private entities. While the mode of allotment to these entities in these states might be different, DDA will adopt the mode of auction to dispose of the Group Housing plots. Once this approach is approved, DDA will start identifying

land for disposal through this mode. To begin with, a pilot project in Rohini has been proposed.

3. In the recent years, DDA has not been able to dispose off its property through auction as the response has been very poor. One of the factors for less number of intending developers participating in the auction could be the high land price. While some of them might be able to pay the auction price, there is a possibility that many of the plots may remain unsold even in this scheme considering that the land parcels proposed for Group Housing are seizable. Hence DDA has visualised a different approach wherein all the plots earmarked for development by the private developers which will be disposed through the process of e-auction. DDA will lay down the technical and financial criteria to ensure that only qualified developers are eligible to participate in the auction. The intending developers will require to demonstrate their core competence in this area either individually as a partnership firm/private ltd. or public ltd. or through a consortium. They must have completed a minimum number of similar projects which will be prescribed by DDA in the area of real estate development and construction activities (excluding merely trading in real estate) like land development/housing/colonizing jobs of bonafide allotted land/commercial/IT/ITES projects. They will also have to demonstrate requisite financial strength.

4. There could be two options in respect of auction purchasers, either, (a) they pay the entire premium upfront or (b) they can pay 25% of the premium upfront and the balance in four yearly instalments. In case the auction purchaser opts for the instalments, he may have to pay the compound interest as determined by DDA on the balance (This is to adjusted in terms of interest DDA would have otherwise earned on the one time premium). The Developers may also have to give a bank guarantee for the balance outstanding, along with the interest computed on the balance. In respect of such auction purchasers who opt for yearly instalments, the conveyance deed will be

executed only after the entire premium is received by DDA. The bank guarantee have to be changed yearly on the basis of payments made by the auction purchaser. The other important condition for the developers would

be that the auction purchaser will have to complete the EWS portion first and obtain occupancy certificate for the same, before getting the occupancy certificate for the remunerative portion.

5. Based on the above approach as a pilot project, the Authority may kindly consider permitting DDA to implement the disposal of group housing plots in Sector 40 & 41, Rohini phase-V. The sectors are bounded by

- i) North - Proposed 30 meter wide road.
- ii) South - Proposed 45 M. wide road and proposed industrial area near Ranikhera village.
- iii) East - Proposed 80 meter wide road (UER-III)
- iv) West - Proposed 100 meter wide road (UER-II).

6. DDA has acquired land in 15 pockets amounting to total of 331.66 hectare. The details are given in **Annexure-1**. Of this 214.09 Ha is in Sector 40 & 41. The gross residential area in both the sectors is 131.62 Hectare. The details can be seen in **Annexure-2**. The approved lay out plan of Sector 40 & 41 are at **Annexue-3 &4**.

7. Acquired land in Sector 40 & 41 in Rohini is in the middle of heavily built up area which may eventually lead to encroachments on these pieces of land. Further there is a pressure from the public in the area that the land be converted into green. For easy disposal, the residential area available in Sector 40 & 41, Rohini is sub-divided into modules of approximately 5 hectare each except for two pockets in Sector 40 and three pockets in Sector-41, Rohini. There is also a land parcel measuring 9.00 Ha. of which 3.88 ha can be developed by DDA for affordable housing and the balance 5.12 ha can be

used for constructing one room apartment for the senior citizens. The details of apportionment are given in **Annexure-5**.

8. The Developer will have to develop group housing in terms of MPD-2021, wherein inter-alia 15% of the FAR is for community service personnel/EWS & Lower category housing and this EWS component will be over and above permissible FAR. In terms of the current guidelines, the private developer has to ensure 50% of EWS portion is given to DDA at a rate as determined by CPWD on per sq.ft. basis. The current rate is Rs.2100/- per Sq.ft. The group housing pockets of 5 ha proposed for disposal will have provision of Housing Area Facilities of 5000 population will be provided by the developer within the plot and the remaining neighbourhood facilities will be provided and developed by DDA.

9. After apportioning the above plots, DDA will be left with approximately 9 Ha. of land, part of which can be used for developing 5 x 1 Ha module of Studio apartments (5 ha of land) for people beyond the age of 60. It is proposed that these apartment complexes will be developed by DDA on PPP mode, wherein DDA's equity contribution will be by way of land component and the developer(s) will build, operate and maintain the complexes. The facilities to be provided will include common kitchen, medical facilities, common rooms, reading rooms and libraries, office, gym, etc. The housing will be allotted to the eligible persons, be it a couple or a single person, on a computerised draw basis. The accommodation can be on a rental basis till the allottee or his spouse survives after which it will be allotted to the next person in the waiting list. The exact financial model for the PPP will be worked out in consultation with the Finance. The waiting list will be revised on a yearly basis with suitable modifications. Since DDA and the developer will be implementing the project on a PPP mode, it will be preferable to develop and manage the complexes through the SPV route, on a corporate basis, so as to restrict the liability of DDA to its share of the equity in the project. DDA will, however,

have a say in the management of the complexes to ensure that these are run efficiently.

10. To implement the scheme, DDA will be appointing a Transaction Advisor, selected through a competitive bidding basis, who will carry out all the necessary exercises for carrying out the scheme through PPP mode including feasibility studies, finalising the concession agreement and finalising the RFP documents.

11. The draft agenda note was circulated to the Finance, Law and L.M. Department. The Finance Department has made the following observations:-

"1. Policy for disposal of Group Housing Plots

- a) The bid variable in the proposed policy would be the premium realised from auction subject to all other variables of the project proposal being frozen prior to auction.
- b) On the issue of payment of premium it may be mentioned that should DDA decide to go for instalment payment option, chargeable interest may be equal to the average rate being charged by the banks for similar lending to Developers. This rate of interest may be decided in advance before holding the auction. However, we may recommend recovery of premium in one lump sum as being a less risky option.
- c) On the issue of auction of plots at one go, it may be mentioned that DDA may consider the option for disposal of plots through auction in a staggered mode. This will prevent the hazard of cartelisation and also help DDA realise higher premium on account of the benefits of development at subsequent stages.

2. Construction of Senior Citizen Services Apartments

As regards the construction of Senior Citizen Service Apartments, the views of Finance for engagement of Transaction Advisor to handle the issue on PPP mode have already been provided and a copy of the same is placed alongside".

(b) The Legal Department has flagged two issues (1) auction of residential land for group housing and (2) to formulate Senior citizen Apartment Scheme for old age people and they have given their views as under:-

- (i) "There appears no legal bar in the aforesaid two aspects provided a formal decision by way of authority resolution is taken.
- (ii) The terms & conditions governing PPP mode & creation of a Special Purpose Vehicle (SPV) for development of Services Apartments should be suitably deliberated for clear understanding and subsequent legal vetting, if required."

(c) L.M Department has no comments to offer.

12. As regards the appointment of Transaction Advisor for the PPP project for developing Old Age Home, the draft terms have been drafted in consultation with Finance Wing and are being notified through an advertisement for the selection of a Transaction Advisor.

13. Keeping the above points in view, the approval of Authority is sought for the following:-

- (a) "In principle" approval for the policy approach regarding disposal of plots through auction for group housing in Delhi through private developers.
- (b) To operate the pilot group housing scheme based on the lines proposed above in Sector 40 & 41 Rohini.
- (c) Permit in "principle" to construct and operate a single room Studio Apartments for senior citizens (Senior Citizens Service Apartment Scheme) beyond the age of 60 on PPP mode with private developers.
- (d) To delegate to Vice Chairman DDA the operational modalities in respect of both the schemes and the Authority can be informed of the progress in respect of both the schemes.

RESOLUTION

Director (Planning) Rohini, DDA explained the agenda item and made a Power Point presentation.

Vice Chairman, DDA further explained that DDA would be constructing first time the Old Age Homes with the help of private developers.

The concept was appreciated but it was pointed out that "in-principle" approval should not be sought by DDA for constructing the Senior Citizen Service Apartments as also for disposal of Group Housing Plots.

After detailed discussions, the Authority approved the concept "in-principle" and directed the concerned Deptt. to work out the operational modalities and details of the project before it is put up to the Authority for a final decision.

- (i) Para 5 d) - instead of mentioning vague description of 'prestigious entrance examinations', institutions qualifying for the assistance should be clearly defined.
- (ii) Para 6 and 11 - there is a contradiction regarding the erstwhile group 'D' employees, since in para 6, they have been extended the benefit while in para 11, only serving employees have been allowed to be members of the fund.
- (iii) Para 8 - allocation of fund should be prioritized without making tight compartments mentioning the percentage of allocation.
- (iv) Para 17 - while opening the account or FDs, guidelines as stipulated by Ministry of Finance should be kept in mind.

The second sentence of para 4 (a) of the Agenda Item i.e. "In exceptional cases, even a non-eligible member of the family of the DDA employee can also be considered for assistance with the approval of the Governing Body" should be deleted as this provision defeats the basic purpose of the Staff Benefit Fund Scheme.

In fact, the Member Secretary, NCRPB had already endorsed a detailed DO letter dated 28/08/2014 to Vice Chairman, DDA in this regard clarifying the provision in the NCRPB.

The Regional sub- plan for Delhi should be as per NCRPB and has to conform to these guidelines.

Principal Commissioner (LM, Pers. & Systems), DDA explained the agenda item.

It was noted that his observations/queries on file regarding this agenda item have not been responded to.

Addl. Secretary, MOUD pointed out that DOPT guidelines should be adopted while framing the recruitment regulations. He also raised the following issues:-

- (i) Page 79, Sl. No. 2, Col. 4 : sentence "subject to variation dependent on workload" needs to be deleted.
- (ii) Page 81, Sl. No. 13, Col. 4 : composition of DPC should be clearly defined.

- (iv) Page 99-100, Sl. 12, Col. 4 : period of service and residency, both need to be prescribed.
- (v) The same deficiencies run in the entire agenda item which needs to be corrected.

It was also pointed out that the power of relaxation of Rules has been delegated to the Authority in the proposed Agenda Item though the RRs presently vest the power with the Central Government in this regard. A detailed exercise for amending the RRs of Planning cadre should be carried out in a professional manner as per extant provisions.

After deliberations, the Authority directed the Deptt. concerned to re-examine and re-submit the agenda before the Authority for a decision.

Director (Planning) Rohini, DDA explained the agenda item and made a Power Point presentation.

Vice Chairman, DDA further explained that DDA would be constructing first time the Old Age Homes with the help of private developers.

The concept was appreciated but it was pointed out that "in-principle" approval should not be sought by DDA for constructing the Senior Citizen Service Apartments as also for disposal of Group Housing Plots.

After detailed discussions, the Authority approved the concept "in-principle" and directed the concerned Deptt. to work out the operational modalities and details of the project before it is put up to the Authority for a final decision.

- (iii) Para 8 - allocation of fund should be prioritized without making tight compartments mentioning the percentage of allocation.
- (iv) Para 17 - while opening the account or FDs, guidelines as stipulated by Ministry of Finance should be kept in mind.

The second sentence of para 4 (a) of the Agenda Item i.e. "In exceptional cases, even a non-eligible member of the family of the DDA employee can also be considered for assistance with the approval of the Governing Body" should be deleted as this provision defeats the basic purpose of the Staff Benefit Fund Scheme.
