1. All works proposed for execution by Contractor will be notified in a form of invitation to tender pasted in public place signed by the Divisional Officer.

This form will state the work to be carried out as well as the date for submitting and opening tenders and the time allowed for carrying out the work, also the amount of Earnest Money to be deposited with the tender and the percentage at which the Security Deposit shall be deducted from the bills of the successful tenderer. Copies of the specification, design and drawings and schedule of quantities and of rates of the various descriptions of work and any other document required in connection with the work assigned for the purpose of identification by the Divisional Officer shall also be open for inspection by the Contractor at the office of Divisional Officer during office hours.

2. In the event of tender being submitted by a firm, it must be signed separately by each partner thereof, or in the event of the absence of any partner it must be signed on his behalf by a person holding a power of attorney authorising him to do so. Such power of attorney to be produce with the tender and it must disclose that the firm is duly registered under the Indian Partnership act.
3. Receipt for payments made on account of work when executed by a firm must also be signed by the several partner except where the Contractors are described in their tender as a firm, in which case the receipts must be signed in the name of the firm by one of the partners or by some other person having Authority to give effectual receipt for the firm.
4. Any person who submits a tender shall fill up the usual printed form, stating at what rate he is willing to undertake each item of the work. Tenders which propose any alteration in the work specified in the said form of invitation to tender or in the time allowed for carrying out the work or which contain any other condition of any sort will be liable to rejection. No single tender shall include more than one work, but Contractors who wish to tender for two or more works shall submit a separate tender for each. Tender shall have the name and number of the work to which they refer written outside the envelope.

- 4(a) The rate(s) and for amount(s) must be quoted in decimal coinage. Amount must be quoted in full ignoring fifty paise and considering more than fifty paise as Rupee one.

5. The Divisional Officer or his duly authorised representative will open tenders in the presence of intending Contractors who may be present at the time and will enter the amount of the several tenders in a comparative statement in a suitable form. In the event of a tender being accepted, a receipt for the Earnest Money forwarded there with shall there upon be given to the Contractor who shall there upon for the purpose of identification signed copies of the Specifications and other documents mentioned in rule-1, in the event of tender being rejected the Earnest Money forwarded with such unaccepted tender shall there upon be returned to the Contractor remitting the same.

7. The receipt of an accountant or clerk for money paid by the Contractor will not be considered as acknowledgement of payment to the Divisional Officer and the Contractor shall be responsible for seeing that he procure a receipt signed by Divisional Officer or duly authorised cashier of CAU(SWZ)DDA.
8. The memorandum of work tendered for the schedule of materials to be supplied by the DDA and their issue rates shall be filled in and completed in the office of the Divisional Officer before the tender form is issued. If a form issued to an intending tenderer without having been so filled in and completed he shall request the office to have this done before he completes and delivers his tender.
9. In the case of Item Rate Tenders, only rates quoted shall be considered. Any tender containing percentage below/above the rates quoted is liable to be rejected. Rates quoted by the Contractor in item rate tender in figures and words shall be accurately filled in so that there is no discrepancy in the rates written in figures and words. However, if a discrepancy is found, the rates which correspond with the amount worked out by the Contractor shall, unless otherwise proved, be taken as correct. If the amount of an item is not worked out by the Contractor or it does not correspond with the rates written either in figures or words, then the rates quoted by the Contractor in words shall be taken as correct. Where the rate quoted by the Contractor in figures or in words tally but the amount is not worked out correctly, the rates quoted by the Contractor will unless otherwise provided be taken as correct and not the amount. In the event of no rate has been quoted for any items(s), leaving space both in figure(s), word(s), and amount blank, it will be presumed that the Contractor has loaded the cost of this/these item(s) in other item(s) and the rate for such item(s) will be considered as Zero and work will be required to be executed accordingly.
10. If it is found that the tender is not submitted in proper manner or contains too many corrections or absurd rates or amount it would be open for the DDA to reject the same.
11. The tenderer shall sign a declaration under the official secret Act for maintaining secrecy of the tender, shall return all the drawings or other records connected with the work given to them. The unsuccessful tenderer shall return all the drawings given to them.

DECLARATION

I/We hereby declare that I/We shall treat the tender documents drawings and records connected with the work as secret confidential documents and shall not communicate information to any persons other than a person to whom I/We am/are authorised to communicate the same or use the information in any manner prejudicial to the safety of state.
