

DELHI DEVELOPMENT AUTHORITY
OFFICE OF CHIEF ENGINEER (Q.C.)

....

No. PS/CE (QC)/Circular/2006/102

Date: 4-4-06

CIRCULAR NO 167

Quite often conditions are stipulated in the agreements that contractors shall submit Guarantee Bond for satisfactory performance of certain products incorporated in the work of certain items of work executed by them. Such Guarantee bonds are either not obtained at all by the Divisional Officers or if obtained are not obtained in prescribed/acceptable format and sometimes that too on plain papers only. In case of any dispute, it would be difficult to legally enforce such Bonds.

It is enjoined upon all the Executive Engineers to please ensure that the guarantee bonds are obtained on non-judicial stamp paper of appropriate face value, to make them legally enforceable. If necessary, legal assistance may be obtained on the matter.

Copy to:

(A.P. Singh)
Chief Engineer (QC)
