**EM's OFFICE**

**No. EM 1(10)2005/ Cir. (Play Field)/DDA/ 2343**

**dt: 6.7.2006**

**MODIFIED CIRCULAR No: 579**

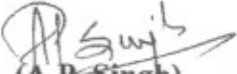

In partial modification to this office Circular No. 579 issued vide T.O. letter of even No.1423 dt. 18.4.06, the following instructions are issued for strict compliance by all concerned.

No Officer is authorized to undertake any work without Administrative Approval and Expenditure Sanction of the Competent Authority. Instances have come to notice that some works of earth filling in low lying area have been taken up in anticipation of AA & ES without the approval of Competent Authority by deviating some of the contracts.

Vice Chairman has expressed great displeasure on such issue and has directed as far as possible the filling should be got done in the manner detailed below:-

- I. Filling in low lying areas be got done by disposal of building rubbish/malba/garbage, surplus earth from other sites. In this regard, if required MCD/DMRC should be informed and other units of DDA be contacted.
- II. In low lying areas / big ditches, where the filling is urgent and can not be delayed and action under (I) can not be taken/executed, then these low lying areas/big ditches be filed with fly-ash.
- III. EE in-charge may contact his counter part of DMRC/Thermal Power Plant, for supply of surplus earth/fly ash within a specified radius, free of cost.
- IV. If the supply is not available free of cost, efforts should be made to get the same from other departments like Flood Control Department, MCD, NDMC, Thermal Power Plants etc. at nominal charges, if feasible.
- V. In case, all above is not feasible and filling of earth/fly-ash is absolutely essential the tenders for the earth/fly-ash filling shall be called only after prior approval of CE concerned and only after A/A&E/S of Competent Authority.
- VI. While using fly-ash for filling it shall be ensured that the contents of fly-ash are not such that may contaminate the ground water.

Non compliance of instructions shall be viewed seriously. This issue with the approval of Engineer Member, DDA.
