No: EM 14(32)/Circular/S.flats/ 467

Dt: 25-2-09

Circular No. 634

Subject: Regarding preparation of sample flats.

It has been observed that the field staff/contractors are not complying with the instructions contained in Agreement in r/o preparation of sample flats. As a result of this there does not remain any uniformity in all the flats in the Housing pockets.

It is, therefore, decided that SE concerned shall be responsible to get the sample flat ready in all respect before allowing mass construction & finishing of houses in cohslutation with the Sr. Architect concerned so that the uniformity may be maintained in all the flats in the housing pockets and the finishing & fixture could be finalized once for all.

This issue with the approval of Engineer Member/DDA.
