

An aerial photograph of a city grid with a blue boundary line. The boundary line is irregular and follows the street layout. Three yellow text labels are overlaid on the image, each identifying a specific area within the grid. The labels are: '1014\_JAKIR NAGAR H-BLOCK' in the upper left, '1424\_BATLA HOUSE OKHALA' in the upper right, and '974\_JOGA BAĪ EXT' in the lower right. The background shows a dense grid of streets and buildings, with some areas appearing less developed or more open.
