**INFORMATION AND INSTRUCTIONS FOR BIDDERS FOR ON LINE BID
SUBMISSION**

(To be posted on website and forming part of NIT)

1. Bidders will submit the bids online through the Central Public Procurement Portal fore- Procurement at <https://eprocure.gov.in/eprocure/app>
2. Possession of valid Digital Signature Certificate (DSC) and enrolment/registration of the contractors/bidders on the e-Procurement/e-tender portal is a prerequisite for e-tendering.
3. Bidder should do the enrolment in the e-Procurement site using the "Online Bidder Enrolment" option available on the home page. Portal enrolment is generally free of charge. During enrolment/registration, the bidders should provide the correct/true information including valid email id. All the correspondence shall be made directly with the contractors/bidders through email id provided.
4. Bidder need to login to the site through their user ID/password chosen during enrolment/registration.
5. Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by SIFFY/ TCS/ nCode/ eMudra or any Certifying Authority recognized by CCA India on eToken/ SmartCard, should be registered by the bidder.
6. DSC that is registered only should be used by the bidder and should ensure safety of the same.
7. ~~Contractor~~/Bidder may go through the RFP published on the site and download the required RFP documents/schedules for the RFP he/she is interested.
8. After downloading / getting the RFP documents/schedules, the Bidders should go through them carefully and then submit the documents as asked; otherwise bid will be liable to be rejected.
9. Bidder then should login to the site through the secured login by giving the user id/password chosen during enrolment/registration and then by giving the password of the e-Token/Smartcard to access DSC.
10. Bidder should select the tender which he/she is interested in by using the search option & then move it to the 'my tenders' folder.
11. From my tender folder, bidder will select the tender to view all the details indicated.
12. It will be construed that the bidder has read all the terms and conditions before submitting their offer.
13. Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document/schedule and generally, they can be in PDF/sls/rar/jpg/dwf formats. If there is more than one document, they can be clubbed together and can be provided in the requested format. Bidders Bid documents may be scanned with 100 dpi with black and white option. It is advisable that each document to be uploaded through online for the tenders should be less than 2MB. If any document is more than 2MB, it can be reduced

- through 'RAR' and the same can be uploaded, if permitted. However, if the file size is less than 1MB, the transaction uploading time will be very fast.
14. If there are any clarifications, these may be obtained through the site or through contacts, If any. Bidder should take into account the corrigendum published from time to time, if any.
 15. The Bidders can update well in advance, the documents such as certificates, annual report details etc., under My Space option and these can be selected as per tender requirements and then send along with bid documents during bid submission. This will facilitate the bid submission process faster by reducing upload time of bids.
 16. Bidder must provide a signed copy of "Bid Security Declaration" as specified in the tender document as the time of bid submission in lieu of Bid Security deposit.
 17. While submitting the bids online, the bidder read the terms & conditions and will accept the same to proceed further to submit the bid packets.
 18. The details of the DD/any other accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise submitted bid will not be acceptable or liable for rejection.
 19. The bidder has to digitally sign and upload the required bid documents one by one as indicated. Bidders to note that the very act of using DSC for downloading. The bids and uploading their offers shall be deemed to be a confirmation that they have read all sections and pages of the bid document including General conditions of agreement without any exception and have understood the entire document and are clear about the requirements of the tender requirements.
 20. The bidder has to upload the relevant files required as indicated in the cover content. In case of any irrelevant files, the bid will be liable to be rejected.
 21. If the price bid format is provided in a spread sheet file like BoQ_xxxx.xls, the rates offered should be entered in the allotted space only and uploaded after filling the relevant columns. The Priced-bid/BOQ template must not be modified/replaced by the bidder, else the bid submitted is liable to be rejected for this tender and disciplinary action may be initiated against such bidder for tampering the documents.
 22. The bidders are requested to submit the bids through online e-tendering system to the Tender Inviting Authority (TIA) well before the bid submission end date & time (as per Server System Clock). The TIA will not be held responsible for any sort of delay or the difficulties faced during the submission of bids online by the bidders at the eleventh hour.
 23. After the bid submission (i.e. after Clicking "Freeze Bid Submission" in the portal), the acknowledgement number, given by the system should be printed by the bidder and kept as a record of evidence for online submission of bid for the particular tender and will also act as an entry pass to participate in the bid opening date.

24. The time settings fixed in the server side & displayed at the top of the tender site, will be valid for all actions of requesting, bid submission, bid opening etc., in the e-tender system. The bidders should follow this time during bid submission.
25. All the data being entered by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered will not be viewable by unauthorized persons during bid submission & not be viewable by any one until the time of bid opening.
26. Any bid document that is uploaded to the server is subjected to symmetric encryption using buyers/bid openers' public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
27. The confidentiality of the bid is maintained since the secured Socket Layer128-bit encryption technology is used. Data storage encryption of sensitive fields is done.
28. The bidder should logout of the tendering system using the normal logout option available at the top right-hand corner and not by selecting the (X) exist option in the browser.
29. For any queries regarding e-tendering process, the bidders are requested to contact as provided in the tender document. Parallel for any further queries, the bidders are asked to contact overphone:1800-3070-2232 or send a mail over to - cppp-nic@nic.in.

After filling the technical score, the system will open financial bid of all qualified bidders and compute QCBS score as given below: **QCBS Calculation Logic (e.g. 70:30 weight-age).**

	Technical Evaluation		Financial Evaluation		Result	AoC*
Weightage						
Bidder1	75	83	120	83	83	
Bidder2	80	89	100	100	92.3	
Bidder3	90	100	110	91	97.3	1

*AoC – Award of Contract

Calculation Formula= $B = [(C-low/C \times 100)X] + [T/T-high \times 100(1-X)]$

Where C=evaluated Bid price C-low =The lowest of all evaluated Bid price among responsive Bids T= the total Technical score awarded to the Bid T-high=the Technical score achieved by the Bid that was scored best among all responsive Bids. X= weightage for the process as specified in Bids

Total Score will be calculated based on the Technical and Financial marks awarded by the committee members and the applicable QCBS weight-age. Bidder1= $83 \times 0.7 + 83 \times 0.3 = 83$ Bidder2 = $89 \times 0.7 + 100 \times 0.3 = 92.3$

Bidder3 = $100 \times 0.7 + 91 \times 0.3 = 97.3$ Contract will be awarded to Bidder3 as it has obtained the highest Final Score.

2.6 Force Majeure

2.6.1 Definition

- (a) For the purposes of this Agreement, "Force Majeure" means an event which is beyond the reasonable control of a Party, and which makes a Party's performance of its obligations hereunder impossible or so impractical as reasonably to be considered impossible in the circumstances, and includes, but is not limited to, war, riots, civil disorder, earthquake, fire, explosion, storm, flood or other adverse weather conditions, strikes, lockouts or other industrial action (except where such strikes, lockouts or other industrial action are within the power of the Party invoking Force Majeure to prevent), confiscation or any other action by government agencies.
- (b) Force Majeure shall not include (i) any event which is caused by the negligence or intentional action of a Party or such Party's Sub-Consultant or agents or employees, nor (ii) any event which a diligent Party could reasonably have been expected to both (A) take into account at the time of the conclusion of this Agreement, and (B) avoid or overcome in the carrying out of its obligations hereunder.
- (c) Force Majeure shall not include insufficiency of funds or failure to make any payment required hereunder.

2.6.2 No breach of Agreement

The failure of a Party to fulfill any of its obligations hereunder shall not be considered to be a breach of, or default under, this Agreement insofar as such inability arises from an event of Force Majeure, provided that the Party affected

by such an event has taken all reasonable precautions, due care and reasonable alternative measures, all with the objective of carrying out the terms and conditions of this Agreement.

2.6.3 Measures to betaken

- (a) A Party affected by an event of Force Majeure shall take all reasonable measures to remove such Party's inability to fulfil its obligations hereunder with a minimum of delay.
- (b) A Party affected by an even to Force Majeure shall notify the other Party of such event as soon as possible, and in any event not later than 14(fourteen) days following the occurrence of such event, providing evidence of the nature and cause of such event, and shall similarly give notice of the restoration of normal conditions as soon as possible.
- (c) The Parties shall take all reasonable measures to minimize the consequences of any event of Force Majeure.

2.6.4 Extension of time

Any period within which a Party shall, pursuant to this Agreement, complete any action or task, shall be extended for a period equal to the time during which such Party was unable to perform such action as a result of Force Majeure.

2.6.5 Consultation

Not later than 30 (thirty) days after the Consultant has, as the result of an event of Force Majeure, become unable to perform a material portion of the Services, the Parties shall consult with each other with a view to agreeing on appropriate measures to be taken in the circumstances.

2.7 Suspension of Agreement

The Authority may, by written notice of suspension to the Consultant, suspend all payments to the Consultant hereunder if the Consultant shall be in breach of this Agreement or shall fail to perform any of its obligations under this Agreement, including the carrying out of the Services; provided that such notice of suspension (i) shall specify the nature of the breach or failure, and (ii) shall provide an opportunity to the Consultant to remedy such breach or failure within a period not exceeding 30 (thirty) days after receipt by the Consultant of such notice of suspension.

2.8 Termination of Agreement

2.8.1 By the Authority

The Authority may, by not less than 30 (thirty) days' written notice of termination to the Consultant, such notice to be given after the occurrence of any of the events specified in this Clause2.8.1, terminate this Agreement if:

- (a) the Consultant fails to remedy any breach hereof or any failure in the performance of its obligations hereunder, as specified in a notice of
