

For more than
1 million families, a home
they can
afford is no longer a dream!

Providing more than
50 percent houses for weaker sections
and lower income groups.

**Who constructed/
facilitated these?**

For details turn to page

Owning a home
is a dream.
More than
1 million families
have
realised it.

DDA has been providing houses in tune with the requirements and purchasing power of different strata of the society. Going beyond merely creating/ facilitating 1.08 million dwelling units, DDA has ensured that houses become homes by bringing every aspect of life such as greens hospitals, schools, sports, recreation and shopping facilities nearby. For more than 1 million families, **a home they can afford is no longer a dream.**

Delhi Development Authority
Laying foundation for a better tomorrow
