

Your child can
become a
Sachin or a Sania!

Delhi offers them
world class sports facilities.

**Who created
these?**

For details turn to page

Special facilities for a champion and nothing less for other citizens.

More than 1 lakh families of Delhi are active members of its 14 sports complexes. Besides which, there are 26 sports fields and 39 multi-gyms spread out across the city. While that should be sufficient for any aspiring champions, for those interested in a healthy lifestyle there are numerous parks, golf courses, swimming pools and play areas. So that while we continue to provide the best of facilities and the right infrastructure, **your child can become a Sachin or a Sania!**
