Circular

Subject: Verification of Stamp Paper.

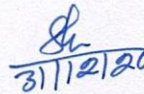

Various cases have come to knowledge where the stamp paper used are found to be not genuine. In the absence of no verification of Stamp paper, it is difficult to ascertain the authenticity of stamp paper which leads to forgery/fabrication of documents. Therefore, it has been decided that before execution of conveyance deed branches will be required to check the genuineness/authenticity of stamp paper. The stamp paper can be verified through the website www.shcilestamp.com

This is issued with the approval of Competent Authority.
