Dear Shri Singh,

As you are aware that the Ministry of Tourism has launched "Adopt a Heritage" scheme which aims at improving the tourist amenities at the heritage/monument sites with the involvement of private agencies. The Ministry has already taken up the matter with owning agencies/organizations and have drawn plan to develop and improve the tourist amenities by involving private agencies.

2. We have got very good response from the private agencies, who are willing to adopt monuments/heritage sites which belongs to Delhi Government DDA, by virtue of being the owning organisation for most of these monuments/heritage sites, has important role to play in improving/developing tourist amenities at these monuments/heritage sites.

3. A continuous flow of information between the two organisations is needed. Therefore, I would like to request you to nominate an appropriate level officer of your organisation as Nodal Officer for this purpose.

With Best Wishes,

Yours sincerely,
