- Further to above, in few cases, it has been observed that cash receipts of life time contributions are being issued by Zonal Offices. This is not proper and it has also been observed that some of the CAUs have accepted reduced life time contribution and due to which there dispute/difficulties in preparation of medical cards of such retirees so as to avoid any dispute. It is for kind information of CAUs that life time medical contributions/yearly medical contributions of retirees is centralized and may not be received by Zonal Offices henceforth (ref. circular also issued separately vide No.F8(14)2010-11/MC/110 dated 4.7.2017).
